Yaay, I love swimming!
Mio too

Aah

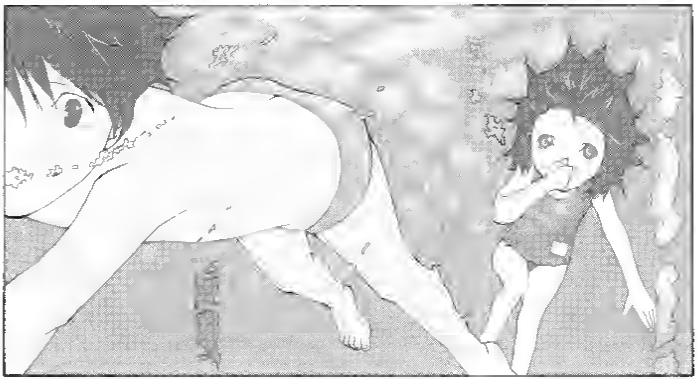
What're you still wearing your towel for?
SLAP

Whoa
The new guy has some tight trunks
Did ya forget the bikini top-?
Ha Ha Ha
Ha Ha Ha
Ah Ha Ha
Actually, we haven't gotten everything in order at my house
What? You still haven't?
So when mom was trying to figure out where she put my swimming trunks,
and she looked in the box they should have been in...
Hmm? I was sure I put Minoru's things in here, but this is tableware...
The whole family searched for them until late last night too...but...
Oh? They're not here either...
Whaa-t-?

Found 'em!
Those aren't mine!
Ah, those are my old ones
On second look, these are pretty old. There's even a tiny hole here
This sure takes me back. Last time I wore these was for a competition in grade school
Anyway, you can just wear these instead tomorrow
Eeeh!?
Oh c'mon it's just this one day. It'll be fine!
I'll order new ones for you first thing tomorrow
It takes three days for this sort of stuff to come, so just hang in there for today
...and that's how it is
Well, I guess...

Swim as far as you can with your head under water.

Right next person
!



You know Sagata...

SPLASH

Eh!?
Those are some racy panties you got there

Your trunks are...

Sagata!
Here, a towel!
Hey!! No laughing!

……

Anyway, let's get you changed into gym clothes instead.
Sniff! Sniff
Wha-!? Hey!!
Mio
What do you think you're doing!?
Like heck that's "a little"!
I just cut it a little

Sagata.
And so we got to sit and watch in our gym clothes instead
Cheer up, okay?
Mio...
She really did do something that embarrassing just to cheer me up?

She's oddly weird, but...
Maybe she's really kind too...

Mio, thank y-

Somehow it doesn't feel like that big a deal anymore.

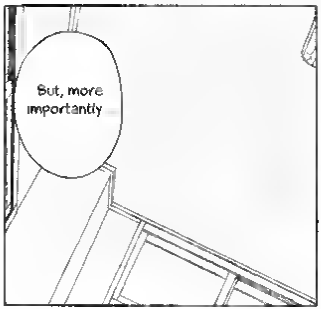
What about them?
Uhm, so... About Masumoto and Inoue
Hmmm
And none of the guys seem to want to make friends with Masumoto either
Even though they're in the same group, they don't speak to each other.

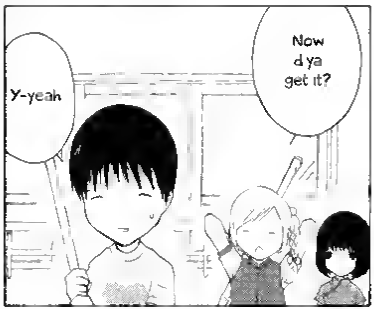
Well
Have you tried talking to him?
I think you'll understand what he's like right away
In The Romance of the Three Kingdoms who's your favourite commander?
What?
Matsumoto do you have a moment?

<He's mixing up works of fiction here>

Ah.



But, more importantly



Y-yeah
Now d ya get it?

Sure, the game's like totally popular around school right now

"Ultimate Selection"?

Okay
Which one would ya choose...
Try it!
Try it!
I've got a really awesome one I could try on you!
what you thought would be a burp suddenly turning into a barf, or what you thought would be just a fart turning out to be actual crap instead?
I think...
As for Mio...
That's not funny at all!!!
Pretty funny, right?
You just had to do that right after lunch too!

Since I'm wearing my favourite panties today, it would have to be the burping.
It's fine, you don't have to choose so seriously~
Why not~?
That's our Mio, all right.
Huh~? Sakata?

Favourite panties-!!

Oh, Masumoto

After having searched the school grounds with great effort we were unable to find any. So these are mushrooms found in my refrigerator

"Nothing visible came out"? Isn't this just a repeat of the last one...?

It's a centi-pede...
I thought we could count its legs
No!! Absolutely no way!
Bugs with lots of legs are the worst ones! I'm not looking!
Absolutely no insects!
Okay, then let's do this instead...

No more bugs, please
We'll investigate which of the stinkbugs you can catch around school that smells the worst
Right?
Oh, I see
Sit
You know...
If you put them all in the same bag, there's no way you'll be able to tell the difference, right?

I guess it'll have to be this, after all...
Hoo

I've already touched it, though
Some of those are poisonous, so you have to be careful now
Oh, you did?
I found this lying dead in the school ditch
It's just this one?
W-What are you looking so happy about? Touching dead bugs is just...
